

Tests

```
library(here)
```

here() starts at /Users/samharper/git/bhet-report

```
knitr::include_graphics(here("images", "coal-plot.png"))
```

Read in data

Make a table

See Table 1 for details.

```
library(modelsummary)
datasummary_skim(swiss,
                  type="numeric",
                  histogram=F,
                  output="flextable")
```

Now see Table 2.
